REQUEST FOR CONFIRMATION OF CORRECTION OR IN THE ALTERNATIVE
PETITION TO CORRECT PRIORITY CLAIM

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The present application was filed on August 21, 2003 and claimed priority to provisional patent application No. 60/411,190. The application, however, inadvertently designated the filing date September 17, 2003, rather than September 17, 2002.

A filing receipt was supplied indicating the priority date and noting the correct date with an asterisk at the date provided by applicant was not consistent with PTO records.

On April 15, 2004, applicant filed a preliminary amendment expressly correcting the priority claim. The application was published on February 17, 2005 but did not include the correction as to the priority claim. On PAIR, however, the priority claim is properly listed.

Therefore, applicant requests confirmation that the amendment of April 15, 2003 has been entered and that the priority claim has been corrected.

In the event necessary, please accept this filing as a petition to correct the priority claim or to make a late priority claim. Any delay associated with correcting the priority claim was inadvertent and unintentional. Any fees associated with the paper may be billed to Deposit Account 502720.

Commissioner for Patents
